ANTI-CLOG #1

DESCRIPTION:

- Anti-Clog#1 stops the growth of bacteria and slime accumulation in air conditioner and refrigeration condensate pans.
- Anti-Clog#1 is an EPA registered brand, containing 40% active ingredient with a proven 99% kill claim against Legionella and other disease-causing bacteria.
- Anti-Clog#1 is so powerful, each application goes to work immediately and lasts for 3 months of continuous 24-hour operation keeping drain lines open and pans slime and bacteria-free
- Using Anti-Clog #1 eliminates Sick Building Syndrome, Air Duct Contamination, Foul Odors and Pan Overflow

FEATURES & BENEFITS:

- 40% more high efficiency biocide (by weight)
- Laboratory proven 99% kill of Legionnaire's Disease bacteria
- Combats a broad spectrum of harmful bacteria including those causing the common cold and other respiratory ailments
- Ph neutralizers help protect drain pan against corrosion
- 3 to 6 months, 24 hours/day service life in all climates
- Sealed, tamper proof housing prevents skin contact w/ biocide
- Filter material meters biocide for consistent chemical release
- Water saturated filter and weight prevent flotation
- Designed not to clog drain hole
- Can be placed vertically or horizontally
- Works in equipment of all sizes

FOR USES IN:

- | | | | |
|---------------------------------------|------------------------|---------------------------------|--------------------|
| • Homes | • Schools/Universities | • Apartment Buildings | • Office Buildings |
| • Hospitals | • Nursing Homes | • Supermarkets | • Health Clubs |
| • Hotels/Motels | • Display Cases | • Central Units | • Fan Coil Units |
| • Cold Storage Walk-Ins | | • Ceiling or Roof Top Units | |
| • Beverage & Grocery Reach-In Coolers | | • Refrigerated Vending Machines | |
