APPLAUSE

GELLED HAND SANITIZER

DESCRIPTION:

This skin sanitizer is a refreshing alcohol-based sanitizer that kills 99.9% of most illness-causing germs. It is a unique blend of emollients and 60% ethyl alcohol that works to instantly sanitize hands without water or towels. Applause is safe on hands, and you may reapply as often as needed. It does not replace handwashing, but it is an important step in keeping hands germ-free. Reduces transfer of infection in medical offices, hospitals, nursing homes and dental offices. Leaves skin smooth and conditioned without a medicinal smell. Available in 4-ounce pocketsize container or 8-ounce pump bottles.

APPLICATIONS:

Excellent for use by doctors, nurses and dental personnel, childcare providers, emergency response technicians and more. Areas of use include bathrooms, kitchens, day care centers, churches and hospitals.

FEATURES & BENEFITS:

- Concentrated and economical
- Easy to apply – simply squirt into hands and massage into skin
- Leaves hands clean and soft

DIRECTIONS:

- Place a 'palmful' of product in one hand. Spread on both hands and rub into the skin until dry (approximately 1 to 2 minutes)
- Place a smaller amount into one hand, spread over both hands to wrist, and rub into the skin until dry (approximately 30 seconds)
- Will air dry in 15 seconds leaving hands with a clean, fresh citrus fragrance

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
