BRITE-TOUCH

METAL POLISH

DESCRIPTION:

Effortlessly cleans and polishes producing a brilliant shine, leaving a protective coating on brass, copper, aluminum, chrome, stainless steel, silver, pewter, fiberglass and many other fine bright metals. Ready to use; wipe on and then wipe off. Developed to produce effortless polishing and cleaning without hard rubbing or harsh abrasives

DIRECTIONS:

Metals: Apply polish by saturating a clean, soft, terry cloth towel. Rub polish lightly onto the metal surface until a black residue appears. While still wet buff off black residue with a clean terry cloth towel to a high luster. Hard rubbing is not required. For large areas polish may be applied with a paint brush.

Fiberglass: Rub polish lightly onto the surface, let dry, then buff off residue to a shine.

CAUTION:

KEEP OUT OF REACH OF CHILDREN
MAY CAUSE EYE IRRITATION
AVOID EYE CONTACT
MAY BE HARMFUL IF SWALLOWED
DO NOT TAKE INTERNALLY

CONTAINS: AMMONIA

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
