D'BUG

ALL-NATURAL, NON-TOXIC INSECTICIDE

DESCRIPTION:

Made with the all-natural ingredient d-Limonene, this liquid insecticide is non-toxic and safe to use around humans, animals and food. The d-Limonene instantly strips away the protective wax coating from the exoskeletons of insects, causing them to suffocate and die on contact. It can also be used as a residual insecticide that works for several weeks after application.

FEATURES AND BENEFITS:

- EPA approved, non-toxic formula is safe for use around children, pets, and food
- Use as a contact insecticide for immediate kill
- Also provides residual action for several weeks after application
- D-Limonene dissolves the protective layer of wax from the exoskeletons of insects causing them to suffocate and die
- Fragrance is a citrus

USE ON:

- Schools
- Daycare Centers
- Restaurants
- Kitchens
- Food Processing Plants

EFFECTIVE AGAINST:

- Ants
- Silverfish
- Roaches
- Fleas

DIRECTIONS:

Indoor Use:

Spray directly on insect pests where they are visible. Use stream setting for penetrating cracks and crevices. Spray in kitchens, pantries, and under cabinets and appliances – anywhere insects hide. Apply to pet bedding to control fleas. Keeps repelling for weeks.

Outdoor Use:

Spray perimeter of building generously to make a barrier of protection. Spray garbage cans, manure piles or any infested areas until wet.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
