# DOOM

## WEED KILLER SPRAY

### **DESCRIPTION:**

This product provides rapid knockdown and kill of most weeds and unwanted vegetation. Use around fence rows, parking lots, buildings, loading ramps, storage yards, tank farms, industrial plant sites and similar areas. Use to kill weeds which interfere with drainage, create a fire hazard or cause unsightly appearance. Contains a soil sterilant which will control weeds up to one year.

### **APPLICATIONS:**

An excellent product for use on Johnson grass, crabgrass, foxtail, barnyard grass, dandelions, weeds, lambs quarter, and broomsedge. A great product for industrial plants, loading docks, parking lots, fence rows, storage yards, tank farms, railroad sidings, homes, and buildings.

### **FEATURES & BENEFITS:**

- Non-Selective Spot Weed Killer
- Rapid Top Kill, Systemic Herbicide
- Special Valve Allows Product To Be Sprayed Upside Down!!

**DIRECTIONS FOR USE:** *It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.* Remove protective cap. Invert can and point opening in spray tip towards weeds to be sprayed. Depress the tab on the side of tip and spray weeds thoroughly. Be sure to completely wet weeds. Use in late spring when most weeds have appeared. The amount needed will depend on the area to be covered. Reapply as necessary. Frequency of application will depend on soil type, rainfall and other conditions. One can will treat approximately 90 square feet.
