DRAIN DEMON

THICKENED ENZYME TREATMENT FOR ORGANIC WASTE

DESCRIPTION:

This product has a unique thickened formula which clings to the sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic waste, grease and food by-products in hospitals, nursing homes, restaurants, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, septic tanks and many other areas. Contains 300 billion enzymes per gallon.

APPLICATION:

Use in grease traps, sewer lines, drain lines, down pipes, septic tanks, portable toilets, recreational vehicles.

FEATURES & BENEFITS:

- Clinging Formula
- Pleasant Fragrance/Odor Control
- Reduces Suspended Solids
- Certified Salmonella And E. Coli Free
- Non-Flammable
- Non-Toxic
- Non-Acid
- Non-Polluting
- Non-Pathogenic
- Non-Alkaline

DIRECTIONS:

SHAKE BOTTLE WELL BEFORE USE

GREASE TRAPS: Pour directly into sink or pipe closest to trap, typically at night. Flush down with a cup of luke warm water. Use 4-5 oz daily for traps less than 20 cu.ft. For larger traps, use 8-10 oz daily.

PORTA-TOILETS: Directly add 1 gallon and cover the solids with water. Repeat each time toilet is pumped.

SEPTIC TANKS: Add 1 pint per 25 cu.ft for initial treatment. Then use 8oz per week. Pour directly into toilet. If tank is clogged and odorous, add 1 gallon directly through tank manhole.

DRAIN LINES AND DOWN PIPES: Use 4 oz for each 2 inches of pipe size 2-4 times weekly.

RECREATIONAL VEHICLES: Initially use 2 oz per gallon of water. Maintain at 1 oz per gallon of water. For use at a dump station, use 1 gallon per 50 gallons per tank capacity. Maintain at 1 pint per week.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
