DUMPSTER D PLUS C

DESCRIPTION:

This product is formulated with special odor absorbing granules and Citronella (proven to deter annoying flying insects). This unique and safe formula works fast, is long-lasting and neutralizes odors on contact. Use to quickly and effectively deodorize garbage dumpsters, trash cans/containers, compactors and garbage collection trucks. Simply shake or spread into or around dumpsters, garbage containers and musty areas. It is noncorrosive, safe to use and biodegradable, making it environmentally and user friendly.

FEATURES:

- Exclusive patented OCP (TM) (Odor Counteractant Power) formulation. Selectively filters out a broad spectrum of malodors, allowing only pleasant odors to be perceived. The result - odors are eliminated, not masked or covered-up.
- Extra powerful odor counteractant properties to handle even the toughest odors.
- Effectively suppresses gaseous malodors.
- Designed for long-lasting performance - provides dependable odor control between waste hauling cycles.
- Economical. Simple application and outstanding performance saves time and money.
- Biodegradable and non-corrosive for worry-free use. Contains no acids.
- V.O.C. compliant.

ELIMINATES ORDRS ASSOCIATED WITH:
