Here at Val-U-Chem, Inc. we understand that in your daily work you are a very busy person and we absolutely appreciate your time. We also know that in our conversation with you on the phone, we can't cover all your chemical needs without your help. However we will do whatever it takes to make your job easier when it comes to ordering specialty-cleaning supplies. That's why we've created this simple checklist to help you with your problem areas. Simply check mark the target areas that you are having problems with and fax back to me so I will know what to pinpoint:

- Carpet
- Glass
- Fragrances
- Hard Water
- Tile & Grout
- Smoke Odors
- Weeds & Bugs
- Bathrooms
- Kitchen Area
- Other _____
- All of the Above
- Marks on Walls, Doors & Floors
- Mold & Mildew
- Disinfectants
- Grease
- Clogged Drains & Pipes
- Urine
- Laundry
- Showers
- Anything from Ceiling to Sewer
