# INFINITY

## ODOR COUNTERACTANT

APPLE BLOSSOM  
SUMMER RAIN

CUCUMBER MELON  
TROPICAL ISLAND

HAWAIIAN BREEZE  
WATERFALL MIST

### DESCRIPTION:

This product is a water-based deodorizer that comes in six different fragrances. Its ozone technology (O3V) will eliminate odors, even when diluted one half ounce per gallon of water. It can be used in extractors, foggers, mop water, and even laundry. At 256 to 1, it will be sure to curb your monthly deodorizing costs. The scents used in **Infinity** have been accepted in nursing centers because it is least likely to bother those with breathing difficulties. Excellent for the elimination of urine, feces, vomit and other malodors from carpet and linen. It can be diluted for odor elimination in garbage receptacles, as well as smoking sections in hotels. It also works well at controlling unwanted odors at funeral homes while providing a pleasant fragrance.

**O3V has been used in cancer wards to knock down cancerous odors in healthcare facilities**

### DIRECTIONS:

Thoroughly clean the object or area then use diluted **Infinity** to wipe over the surface or cover it with a spray mist. If sprayed be sure all areas are thoroughly wetted.
