SPRAY BUFF & MAINTAINER

DESCRIPTION:

This is an advanced formulated product for spray cleaning modern floor finishes. It is a vast improvement over the watered-down version of a floor finish. This product is a clear cleaner maintainer that contains mild surfactants, detergents, and solvents, formulated to clean the floor without damage to finish film. It will clean and remove black marks, scuffs, soil and yet bring up a spectacular gloss to your floor finish. The resultant gloss remains slip-resistant.

APPLICATION:

This product should be used in the traffic lanes and heavy wear areas of waxed floors to restore and improve appearance. It prolongs the life of a floor finish and greatly extends the time between stripping and recoating. This product is a great time saver.

FEATURES & BENEFITS:

- Fast Cleaning
- Safe Underfoot
- Pads Clean Up Easier
- Removes Cloudy Look Of Floor
- Improves Appearance
- No Powdering
- No Messy Mixing Of Product
- Removes Black Marks And Scuffs

USE ON:

- Vinyl Asbestos
- Vinyl Tile
- Any Other Floor That Is Usually Waxed
- Asphalt
- Terrazzo
- Mexican Tile
- Quarry Tile

DIRECTIONS:

Sweep and/or damp mop floor area to be treated. Spray a light fog of this product on washable area of floor. Place a red or gold pad under machine and buff dampened area until dry and bright. Continue procedure until the total area is buffed. When pads load up with dirt, turn and use reverse side. Dust mop floor to remove any residue from buffing. An alternate method for high speed buffers is as follows: Mix with equal parts of water into mop bucket. Wring out mop and damp mop floor. Hi speed with red or gold pad until dry and bright. After cleaning with red or gold pads, high-speed buff your floor with the white pad for the ultimate in gloss.
