SPARKLE PLUS

WATERBASED STAINLESS STEEL CLEANER

DESCRIPTION:

New generation water-based cleaner/polish formulated for stainless steel, chrome, brass, copper, and aluminum. Great for railings, elevator cabs, kitchen, and lab equipment. Effectively removes smudges, fingerprints, water marks, grease, tarnish, and oxidation from bright metals. Seals and protects against future oxidation. Fast-acting, water-based stainless steel and hard surface cleaner and polish.

APPLICATIONS:

For use on metal finish on equipment in kitchens, laboratories, offices, restaurants, elevators, factories, on architectural steel, and in many other areas. An effective cleaner for stainless steel, porcelain, aluminum, metal surfaces and tile. Cleans and polishes surfaces to remove grease, oil, grime, stains, and other oily residues.

FEATURES & BENEFITS:

- Convenient One-Step Process Cleans, Polishes, Brightens and Protects
- Water-Based
- Repels Dust
- Pleasant Fragrance

DIRECTIONS:

Always hold the dispenser upright. Aim spray opening away from people or pets and toward surface to be cleaned and polished. Shake well before using. Holding spray opening about 8" to 10" (1/4 m) from surface, press spray button firmly and apply a thin creamy coating over the whole area to be treated. For heavily soiled areas, allow product to soak in for about a minute before wiping off surface. For difficult-to-spray areas, spray directly on a cloth, then use it to apply product. Wipe clean with a damp cloth. Polish surface to a bright, spotless shine with a clean, dry cloth or towel. After using this product in a food processing area, all odors associated with this product must be dissipated before food products or packaging materials are re-exposed.

CAUTION:

Do not get spray, mist or polish on walked-on surfaces; they could become slippery, especially when wet.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
