## STONE, TILE & MARBLE CLEANER

### **DESCRIPTION:**

This product is a blend of special soap base, a mixture of surfactants and emulsifying agents chosen for their ability to attack soil and hold it in suspension. It will easily and safely remove all types of soils from surfaces not harmed by water. Gentle and mild, it will attack all types of grease and grime and hold the soil in suspension for easy removal. This product rinses film free. Stone, Tile and Marble Cleaner is a PH balanced product that can be used daily to safely clean all stone surfaces. This product will renew the stone's original, natural crystalline structure. Has a lemon-pine fragrance.

**FOR REAL MARBLE AND TERRAZZO SURFACES:** This soap-based cleaner can be safely used on real marble, limestone, granite, slate, terrazzo, and agglomerate floor surfaces. The floors can be dry buffed after using the cleaner and the surfaces will be brought up to a very high luster.

**NOTE:** Test on a small inconspicuous area before use.

### **DIRECTIONS FOR USE:**
