TRAFFIC LANE CLEANER

and LAUNDRY PRE-SPOTTER

DESCRIPTION:

This product is a specially formulated carpet pre-spotter and cleaner that cleans quickly and dries fast. The three-way combination of detergent, water and non-flammable solvent dissolves grease, oil, tar, and lipstick removes dirt and soil, and cleans up food spillage. This product is ideal for use in hospitals, convalescent homes, hotels, restaurants, and other high traffic areas.

FEATURES & BENEFITS:

- Fast cleaning
- Fast drying
- Blended solvents – dissolves many different types of oil soils
- Water based - cleans many food soils and removes many water and oil based inks

USES:

- Use on nylon, acrylic, polypropylene, and polyester carpet fibers.
- Excellent for use on most upholstery.

DIRECTIONS:

RED REMOVER: For removal of red food coloring, fruit juices and jello stains apply product to the stain “as is”. Apply carefully to prevent over use on the surrounding unstained carpet. Place a wet towel on top of the stain. Use a household iron on a high setting and place on the towel for 15 - 30 seconds. Remove the iron and inspect the towel for transfer of the stain. Repeat the process for maximum removal of the stain using a clean section of the towel for each application. Extract the area after use.

TRAFFIC LANE CLEANER AND SPOTTER:

TRAFFIC AREAS: Mix 1 part of the product with 10 parts water in a spray bottle or a garden type sprayer. Spray evenly on heavily soiled areas. Then proceed with regular cleaning procedures - soil extraction or shampooing.

BOOSTER: To mix tank, add one cup of product to one gallon of soil extractor cleaner or carpet shampoo. Then proceed with normal cleaning method.

SPOT REMOVER: 1:5 Use a spray bottle or squirt bottle. Apply a small amount of the solution to the spot and scrub lightly with a spotting brush prior to cleaning with equipment.

PRE-SPOTTER FOR LAUNDRY: Mix one part to three parts water. Spray on the stain or dirty area before putting in the laundry machine.
